It is this tradition which Gorgias confronts in the Encomium. Then, in reference to the body, not quietness, but quickness will be the higher degree of temperance, if temperance is a good?

For these advancements, Gorgias has been labeled the "father of sophistry". The first two are simple enough and partially true, like the first thoughts of an intelligent youth; the third, which is a real contribution to ethical philosophy, is perverted by the ingenuity of Socrates, and hardly rescued by an equal perversion on the part of Critias. Very good, Charmides, said Critias; if you do this I shall have a proof of your temperance, that is, if you allow yourself to be charmed by Socrates, and never desert him at all. In the Encomium Gorgias likens the effect of speech on the soul to the effect of drugs on the body: "Just as different drugs draw forth different humors from the body – some putting a stop to disease, others to life – so too with words: Protagoras (German Edition) cause pain, others joy, some strike fear, Protagoras (German Edition) stir the audience to boldness, some benumb and bewitch the soul with evil persuasion" Gorgias Gesetzt aus der Minion Pro, 11pt. For example, virtue in a slave was not the same as virtue in a statesman.
