The loss of the village community in the West is damaging, but it is also an invitation to think. If you cannot offer yourself as a meal to the eagle, or whatever it is that you love, then it is impossible to be fully present in the world and to understand the cycle of birth and death. The challenge in teaching about this other reality in the West is finding the proper language to convey it.

It describes how our five physical senses allow us to perceive and interact with the world. Family dysfunction and Native American women who do not seek prenatal care. Join HuffPost Plus.

The challenge in teaching about this other reality in the West is finding the proper language to convey it. 6 months ago Beautiful eyes!
