Fuji is perfectly reflected in the stillness of crystalline waters. Around the shores the water is in clear blue color and in the center the color changes to deep green.

AvenueoftheBaobabs, MadagascarSeparatedfromcontinentalAfricabymile Machu Picchu, Peru While the intricate stone ruins of Machu Picchu are the work of 15th-century Inca rulers, not Mother Nature, it's the site's natural setting that makes it so alluring. Flamingos and the lake look their best from December to April: the lake is full of water, making it more reflective for photos, and the birds are breeding. Minerals and organisms residing in the series of sixteen interconnected lakes in combination with shifting sunlight provide this spectacular rainbow dance several times a day.
