What happens when the transformative imagination comes up against the limits of unalterable fact? The Dry Salvages treats the element of water, via images of river and sea. They often read like they are quotes from a larger poem—but they are not. He became a British subject in at the age of 39, renouncing his American passport. I loved the paranormal undertones in some of the poems. I like that . Poetry lives so much more in the present. I look forward to this series. They were extremely well written.
