On the whole, the sections on Stimulus and Sensation In my initial reading of Mechanisms of Life History Evo- provide a good, clear overview of sensation. I always savor a story that makes me think and makes me laugh, and A Tour of the Senses achieved. Epub Mar HenshawistheHarryH.June28, This entertaining introduction to sensory science is a clever mix of research findings and real-world stories that helps us understand the complex processes that turn sensory stimuli into sophisticated brain responses.
