I was a believer in the power of art to transform and transcend a person from trauma into a soul recovery and to facilitate a recapitulation of past events and spiritual experiences. I am a Saskatoon-based artist whose work exists at the intersection of collaboration, performance and conversation.

My process began while tending my own garden and escorting these beautiful
Rituals are more artistically emphasized in shamanism. Water is life. Just as play can be interchanged within the more traditional art disciplines so can ritual within the expressive arts therapy framework.

If a scholar failed to compose a poem in time, he had to drink three additional
express her feelings of particular moment by collage; using colours and shapes to create an abstract screen print of her original patterns: to incorporate both her paintings and fabric works.
