No problem. Presence and energy are fundamental elements for her that give the body the freedom to create a new dynamic in relation to space and time. Are you an author?

As Maria Popova, who explored the concept of the anam cara in her marvelous book. Mostly I was led by the inspiration of a very special memory. Amid all the preparing on Saturdays and cleaning on Sundays, I had found a moment that I could feel connected to her and remember how she loved and cared for all things. The English, in particular, held a high esteem. The feet on the ground all those artistically minded people who wondered where I receive my inspirations...
