Increasing the production of goods and services is not morally neutral but is fundamentally good and pleasing to God. Find Meaning. In other words, the Christian executive must be "business" minded, as well as "other person" minded.

There are also temptation to pride, and to turning our hearts away from love.

We are working with a gentleman that is getting like visions from God! Everyone knows the old proverb: Give a man a fish and you feed him for a day. When we are in love, we invite our loved one into our life, we communicate deeply with them, we cooperate with their desires because we want them to be happy, we implement the plans that we cook up together, and we enjoy the manifestation of our joined hearts desires.

And provided that the business we are engaged in provides some small benefit to the firm and see the deliverance the Lord will give you...
