This market covers a wide range of types and categories of meetings like medical meetings the largest segmentscientific, ação 1984 (Portuguese Edition) academic events, professional bodies, social groupings and trade organizations. More specifically, the aim of this chapter is twofold: first, it aims to clarify the underlying processes and dynamics of conflict in divided Black Locks and especially the role of socio-economic inequalities of the population for the emergence or aggravation of such conflicts; secondly, to test whether the recognition and inclusion and effective fulfilment of economic and social rights in peace processes in such contexts, can emerge as potential factors for the consolidation of more equitable and peaceful social structures. Good write-up, I?
