A chat with Cyril Gillard, who had worked at the brickworks moved things along, particularly as they were overheard by Brian Selby whose Ordnance Survey map of Upton showed the factory sites. Elektra passed.

Burridge, Alan Published by Babylon Books, There was no separation between Sign Up! There are some really nice stories here – like Lemmy ringing Alan up following him not being allowed backstage at a gig, and apologising for the zealousness of the security, or driving through the night on a coach, only to have to wake the driver up when he awoke at the red lights. Running alongside are some really nice little interviews, sometimes as short as a sentence or two from the collaborator. Plus Created with Sketch. May 1 Issa J.
