By putting the activities of the World Bank in a historical context, this book will do more to educate the public about the bank than any effort the bank itself may produce. Ronen Palan.

TheHistoricalDictionaryoftheInternationalMonetaryFundisone-volume
Indonesia adopted the first of its economic programs to cope with the Asian economic and financial crisis. The compensatory financing facility was again amended to cover financing to members that encountered balance of payments difficulties caused by an excessive rise in the cost of cereal imports that were largely beyond the control of the member.
