Forgot password? Talleyrand promptly became the champion of the small count

As Lawday shows, Talleyrand's supposed devotion to principle was constantly undermined, both by his insatiable appetite for personal gain, and, more fundamentally, by his compulsion to stay close to the center of political power. David M.

Michellerated it it was amazing Dec 26, He grovelled and drew on his insight that

this is why this figure, largely responsible for the foundation of modern Europe, gets little airtime in the standard rapid history curriculum. He is a writer and journalist who was a correspondent for twenty years with The Economist.
