Certainly, I am also indebted to the criticism concerning the  
nationalistic mental framework of historians and to the most  
recent proposals of "entangled" approaches and transnational  
narratives. Sources and General Resources on Latin America.

Instead of fighting over Mexican territory, foreign nations  
competed in the realms of finance and investment. Regarding  
economy—the subject most pertinent here—numerous topics were  
examined, including agriculture, mining, manufacture, national  
and international trade, and banking and finance. Brown, M.
