As a result, the "center" of the world economy is once again moving to the "Middle Kingdom" of China. Issue Section:
Inevitably, however, despite his commitment to escape primary dependence on Western sources, Frank is limited, as we have all been, by insufficient original works from other parts of the world. CreateaWant.AnyonewhocanciteMartinBernalandJ.The European miracle needs to be addressed with more attention to Asian comparisons and connections. World-encompassing macro- and micro-economic analysis is used to account for The Rise of the West in global instead of the received Eurocentric terms.
