I suffered horrific flashbacks and nightmares. I was afraid of the world and could not fathom how I could fit this request into the remaining days I had left in China. JoinHuffPostPlus. Equal Employment Opportunity Commission, employers may not fire employees, force them to stop working, or reject someone for a job or promotion based on mental health, and employers must provide reasonable accommodations for mental health conditions. Overview When someone develops a mental illness, the impact on the family is often profound.

WhyDidtheIllnessStrike?Howwidespreadisit?Because of commonalities, we might catch some symptoms, but we might also miss presentations of the disorder that look different. Eventually, I found the right meds and a diagnosis of bipolar disorder, though my recovery journey would be far from .
