I also found some chapters to be less focused, where it read more like an overview of rebuttals between writers or philosophers, rather than the tighter-focused chapters where Young's views and ideas come into play. Get A Copy. Honestly, I read this book too early.

I picked up this book in the literature section of the library on a whim and had a heady, but rewarding view on the morality of reading. Thoughtful book on reading based on a list of Aristotle's moral requirements. Renew your Online Subscription. However, I found that by immersing myself in the book, dedicating time and attempting to cultivate the qualities of curiosity, patience, temperance and justice as the author suggests, I found the experience challenging but enriching.

With this gift, you can instantly send a Great Course to a friend or loved one via email. It was here before we arrived, and it will be here long after we've gone.
